evergreen	leaves stay green all year and do not fall

Working scientifically	
equipment	describe
	
record	compare
	

Knowledge Organiser Y1 Plants

I can identify, describe and compare common plants by looking closely.

I can use simple equipment to observe, measure and record plants changing over time.

Labelling and Classifying Plants				
leaves	flowers (blossom)	roots	petals	bulb
				
fruit	seed	trunk	branches	stem
