Our Rights Y6 – How Does The Violation of Rights Effect Life?

Geography: refugees and asylum seekers

I can explain about journeys asylum seekers may make.

I can locate countries from main land Europe, using maps. I can explore their environmental regions, key physical and human characteristics.

I can use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.

History:

I how evacuees in World War II and asylum seekers are the same and different.

Vocab

Refugees, corruption, asylum seekers, flee, refuge, rights, safe
Comic art, sketching, smudging, impact.
Evacuees, war

Art: The illustrations of Shaun Tan's work The Arrival

I know that illustrators can produce images that convey feelings throughout the story – The arrival.

I know that Sean Tan is an illustrator who shows the characters feelings in his style of drawing by using pencil and in comic strip format.

I know that using different types of pencils can create different effects in illustrations.

I know that I can use different sketching techniques – stippling, crosshatching, smudging to improve my drawings.

I know that I can create my own illustrations by using the style of Shaun Tan, showing the images of someone arriving to a new country.

I know that I can record my evaluation of my illustration by looking at the feeling it portrays.

Computing: Using the internet- research

Knowing more, remembering more: I know what plagiarism is and can explain ways to avoid plagiarism by citing sources. I know how to check where information has originated from.

I know how to create key word strings to find relevant information from different sources.

I know how to check multiple sources to validate my research.

I know why it is important to validate my research.

I can explain the implications of incorrect information that is unverified.

I can acknowledge my sources and explain what plagiarism is.

I know that the Internet may contain material that is irrelevant, bias, implausible and inappropriate

I know that websites are not always accurate and that information should be checked before it is used.

I know that there are different types of search engines, including mainstream, private and vertical search engines.

I know the issues of copyright and how they apply to my own work.

I know how to find, save and import pictures for use in a multimedia presentation (PowerPoint).

I know how to import sound for use within a multimedia presentation (PowerPoint).

I know how to investigate where web content may have originated from by looking at web address, author, other linked pages.

I know how to skim and select information checking for bias and different viewpoints
