The World We Live In Y1

Your House and School

Geography

We can look at maps (inc. aerial maps) of the local area and understand what they represent. Explore the local area and note similarities and differences between them. Make observations of what is located near to school and home.

I can use simple observational skills to study the geography of the school and its grounds.

I can use simple maps of the local area e.g. aerial maps, plans of the school, plans of our homes

I can use words such as near and far, left and right to talk about where things are.

I can make simple maps and plans.

I can link home with other places in my area e.g. similarities and differences

I can name, describe and compare places I know e.g. my home, what I see on the way to school and my school

Knowledge

I know about places that are near and far from my house and my school.

I can read a map of my school and make my own.

I can create a 3d map using observations and aerial maps.

I can create pictures using texture.

British Values

The rule of law, mutual respect, tolerance of different cultures and beliefs
