The Importance of Trees Y3

How Have We Used Trees Across The Ages?

History: I understand how wood has been used through the periods studied including Saxons.

I can describe Britain's settlement by Anglo-Saxons.

I can use an increasing range of common words and phrases relating to the passing of time and the periods already studied.

I can use a variety of resources from the Avebury trip to find out about aspects of life in the past.

I can describe significant historical places locally including Avebury/Swindon.

Knowledge

I know the reasons the Saxons settled in Britain. I know how trees have been used during the Stone Age, Roman times and Saxon times. I know how Avebury was used by the Saxons and what evidence there is to prove it.

I know where the Saxons settled locally. I know how the need for wood has affected the landscape of Britain.

I know what tools are needed to create a 3D model of a Saxon house. I can create designs and annotate them. I can use a variety of tool and materials safely.

British values: Rule of law

Vocab

Stone Age, Roman period, Saxon, settlement, uses, Avebury, Measure, annotate, sketch, diagram, assemble, tools, materials, construct.
Evidence, conclude, resources, trees

Geography: I can understand how the importance of wood has affected the landscape of Britain.

I can ask and answer geographical questions such as Why is Avebury/Swindon like this?

How did the Saxons affect what it looks like? What do you think about that? I can

analyse evidence and draw conclusions such as how has the need for wood affected what Britain looks like?(Digimaps)

I can understand and use geographical terms and words such as location, settlement, river, vegetation, soil, resources.

Computing: I can create an Inspiration 9 mind map about how trees/wood have been used during the Stone Age, Roman times and Saxon times.

I can use desk top publishing tools to create A mind map which requires specific formatting.

DT: I can design and create a 3D model of a Saxon house.

I can create designs using annotated sketches, cross-sectional diagrams for my Saxon house.

I can safely measure, mark out, cut, assemble and join with some accuracy.

I can make suitable choices from a wider range of tools and unfamiliar materials and plan out the main stages of using them to construct my Saxon house.
