Healthy Body: Healthy Mind

Computing:

I can create a non-linear text using PowerPoint

I can use PowerPoint to make my own non-linear text. I will create a Greek Myth, allowing my reader to choose what actions my character should follow. It must include a home button. I can create a non-linear (you don't have to follow the content in a specific order) presentation. I can continue to regularly use word processing and desktop publishing to present their work, combining formatted text with other media and making choices about programs and features to use and justifying these choices to others. I can continue to use ICT to create a finished product or set of linked products, developing consistency in style across linked products.

DT: I know how to plan the order of a project and choose the best materials, tools and techniques.

I can use research I have done into famous designers and inventors to inform the design of my mascot.
I can generate, develop, model and communicate their ideas through discussion, annotated sketches, prototypes and pattern pieces.
I can apply knowledge of materials and techniques to refine and rework my mascot to improve its functional properties and aesthetic qualities
I can use technical knowledge accurate skills to problem solve during the making process
I can use knowledge of famous designs to further explain the effectiveness of existing products and products I have made
I can draw a specification for my design, plan the order of my work; choosing appropriate materials, tools and techniques.

Knowledge

I know where Greece is on a map and which continent it is on.
I can name countries that participate in the Olympics and locate them on the map. I know the chronology of the creation of the Olympic Games. I know how the Olympic games have changed over time. I know that information can come from different sources and that some may not be reliable.
I know about Ancient civilisations and can discuss the impact they have had on our modern life. I know that you can get different types of sources depending on the time period. I know some of the achievements of the Ancient Greeks. I know how to plan the order of a project and choose the best materials, tools and techniques to create an Olympic Mascot.

British values

Mutual respect and a tolerance of different faiths and beliefs.

Vocab

Continent, Europe, population, participant, Olympics, civilisation, accuracy, cross check, sources, Ancient Greeks, Ancient Civilisations, impact, modern life, time period, achievements, specification, techniques, pattern pieces, prototypes, annotation, tools, materials, Olympic Mascot.

History: I know the chronology of the creation of the Olympic Games.
I know how the Olympic games have changed over time.
I know that information can come from different sources and that some may not be reliable.
I know that you can get different types of sources depending on the time period.
I know some of the achievements of the Ancient Greeks.
I know about Ancient civilisations and can discuss the impact they have had on our modern life.

I can place historical periods on a timeline in addition to the ones already learnt, using dates to order and place events on a timeline.
I can ask and answer questions about change similarities and differences in the Olympic Games.
I can understand how knowledge of the past is constructed from a range of sources and make confident use of them for independent research; checking and comparing facts to cross reference information and check for validity.
I can make comparisons between aspects of history and modern day.
I can understand that the type of information available depends on the time period studied, and evaluate the usefulness of a variety of sources.
I can provide an account of a historical events based of more than one source.
I can describe the achievements of Ancient Greece: The Olympic Games.
I can describe a chronologically secure knowledge of the creation of the Olympic Games.

Geography: I know where Greece is on a map and which continent it is on.

I can name countries that participate in the Olympics and locate them on the map.
